

**SOUTH WEST
NUCLEAR HUB**

NETWORKING FOR KNOWLEDGE

Symposium Programme

Day One

Introductions

Colston Research Society
South West Nuclear Hub

UK Energy Policy

Tim Yeo, New Nuclear Watch
TBC

Nuclear Energy in a Balanced Energy Mix

Professor Feargal Brennan, University of Strathclyde
Kirsty Gogan, Energy for Humanity
Neil Hurst, Imperial College London

Safety Aspects of Nuclear Energy

Office for Nuclear Regulation

Fusion and Next Generation Fission

Professor Andrew Sherry, National Nuclear Laboratory
Dr Mike Gorley, UKAEA
Dr Martin Goodfellow, Rolls Royce

Day Two

Existing and Future Generation Capacity

Kumiaki Moriya, Hitachi-GE
TBC, Framatome
TBC, EDF Energy

Public Perception of Nuclear Energy

Professor Wouter Poortinga, Cardiff University

South West Nuclear Hub Research Showcase

National Centre for Nuclear Robotics
Systems Centre, University of Bristol
High Temperature Centre
TBC

Future UK Research Landscape and Needs

Mike Tynan, NIRAB
Professor James Marrow, University of Oxford
TBC, EDF Energy
